* FY12 Payments by State for Pension and Health Benefits (not directly appropriated to the university) = 56,682,398

** FY13 Budget Line-Item Operating Expenses are estimated. Operating expenses are not line-item budgeted. They are budgeted as expense pools based on historical allocations. However, \$14 mil of the \$24 mil in operating expenses are "fixed costs." These are expenses that are guaranteed funding under Presidential authority due to their critical nature, e.g., utilities, library books, debt service.
